

EcoPower® Heavy Duty Diesel 10W-30 CJ-4/SN Engine Oil helps fleets improve fuel economy up to 1.5%, delivers better cold weather starts and it protects engines and protects the environment. Make a change for the better. Plus, it has been approved by or meets the requirements of Detroit Diesel, Cummins, Caterpillar, Mack, Mercedes-Benz, Volvo, Navistar, and ACEA E-9 2012.

EcoPower® Heavy Duty Diesel Engine Oils provide maximum protection for longer engine life. EcoPower's robust formulation includes:

- **Highest quality re-refined Group II+ base oils** with exceptional purity and lubricating properties that heavy-duty applications demand.
- **State-of-the-art performance additives** including viscosity index improvers, detergents, dispersants, and anti-wear agents provide maximum protection against breakdown and engine wear
 - Unmatched varnish, sludge and carbon Deposit control
 - Low valve train, ring and linear wear
 - Extra protection against bearing and bushing corrosion
 - Boosted oxidation control to minimize oil thickening
 - Excellent high-temperature stability
 - Controls oil thickening and provides good filterability with newer, high soot producing, emission-controlled engines
- **EcoPower Engine Oil is beneficial for the environment:**
 - Conserves valuable, non-renewable resources
 - Takes up to 85% less energy to produce than oils made from crude according to recent Dept. of Energy study
 - Reduces greenhouse gas emissions up to 80%

TYPICAL PROPERTIES		
ECOPOWER®	SAE	10W-30
API Service		CJ-4/SN
Approved		
Mack Premium Plus		E0-0
Cummins CES		20081
Detroit Diesel PGOS		93K218
Volvo		VDS-4
Kinematic Viscosity		
cSt @ 40°C		81.8
cSt @ 100°C		12.2
Kinematic Viscosity		146
CCS Viscosity		6600
cP @ -25°C		
Flash Point, °C		222
Pour Point, °C		-33
Specific Gravity 15.6°C (60°F)		0.868
Color (ASTM)		4.5
TBN		9.5
Sulfated Ash, wt%		0.98

Note: Values shown above are representative of current production and may vary within modest ranges
